## Employee Referral Bonus Program

Want to make an easy \$25.00 ? Workers.com is always looking for great people, and you can help. Research has shown, and our own experience supports, that workers who come to us through employee referrals are excellent workers, stay with us longer and are more cost effective to recruit. If you know someone who you think would be a great addition to our organization and they meet the qualifications for an existing open position, it will be worth a \$25.00 gift card if you refer them for employment and they are hired.

The referral bonus program has a few rules in order to qualify for the gift card, as follows:

1. Program starts July 1, 2016.
2. The referred workers must work a minimum of two weeks and complete 80 hours of work.
3. They must meet all performance standards as measured by our client company. Any complaints from our client will disqualify the bonus.
4. Must be dependable with no incidents of being late, or no show/no call.
5. Any incidents of misconduct or inappropriate behavior as determined by our client.
6. The first employee to refer a candidate will be the only referring employee eligible for payment.
7. All candidates will be evaluated for employment consistent with our organization's policies and procedures, and all information regarding the hiring decision will remain strictly confidential.

If you know someone who would be a good fit for this program, please complete the form below, attach their resume and/or contact information and submit it to us. You can also email or text the candidate's information to us.
